NEW COUNTRY MANAGERS IN LITHUANIA AND ESTONIA

The most recent organizational changes in 2017 are related to the management of the Baltic country companies. "*We have done a lot of reforms and the team is stronger than ever,*" says Juha Lehtinen, founder and major owner of Simeon, who is leaving his position as CEO in December. The new CEO, Ilkka Hietala, starting on December 11th, agrees with Lehtinen. Guido Leppik continues as the Baltic area director.

As Country Manager of UAB Simeon has started **Ramunas Labutis** on November 1st. He has worked in the company since 2009.

Hendrik Peiel started as Country Manager of Simeon Transport Oü on 1st December. He has previously worked for Ahola Transport for a long time.
